

Puissance électrique

Puissance 4ième :

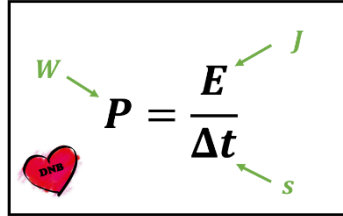

Diagram showing the formula $P = \frac{E}{\Delta t}$. Annotations include: a green arrow pointing from 'W' to 'P', a green arrow pointing from 'J' to 'E', and a green arrow pointing from 's' to 'Δt'. A red heart icon with 'DNE' is in the bottom left corner.

Puissance électrique 4ième :

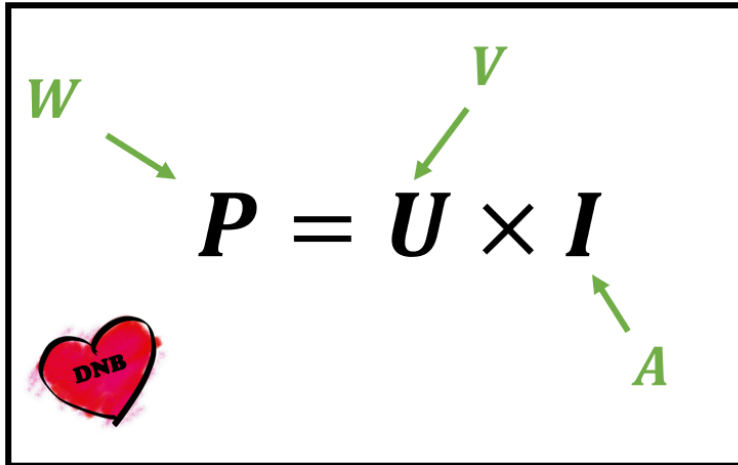

Diagram showing the formula $P = U \times I$. Annotations include: a green arrow pointing from 'W' to 'P', a green arrow pointing from 'V' to 'U', and a green arrow pointing from 'A' to 'I'. A red heart icon with 'DNE' is in the bottom left corner.

Mathématique 3ième :

Mathématique : savoir retrouver les trois formes de l'équation

| Puissance | Tension | Intensité |
|------------------|-------------------|-------------------|
| $P = U \times I$ | $U = \frac{P}{I}$ | $I = \frac{P}{U}$ |
